Online Ordering System Training Manual

Welcome to the Food Bank of Iowa's online ordering system! This ordering system allows users to:

- view up-to-the-minute inventory lists;
- place an order;
- schedule a pick-up;
- receive order confirmation;
- submit monthly reports; and
- access agency invoices and statements.

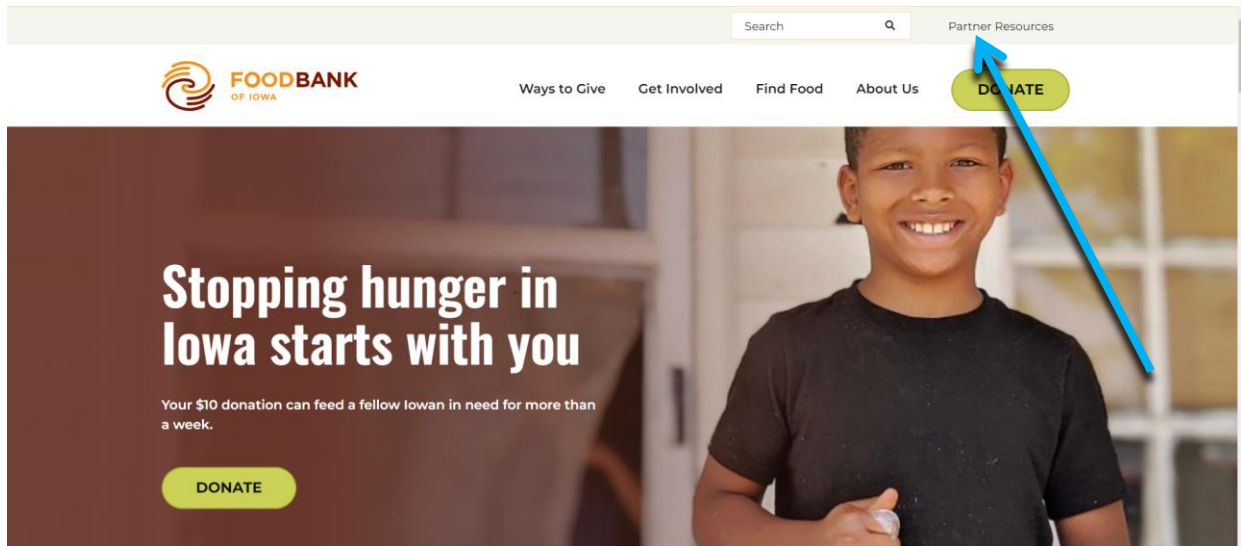

This manual is designed as a step-by-step training tool to be used by both experienced and new users to the online ordering system. There are several key pieces of information that are needed every time a user logs into this system. We encourage you to write that information into this manual and keep this in a safe and convenient location.

Agency log in information, you will need this information every time you wish to log into the system:

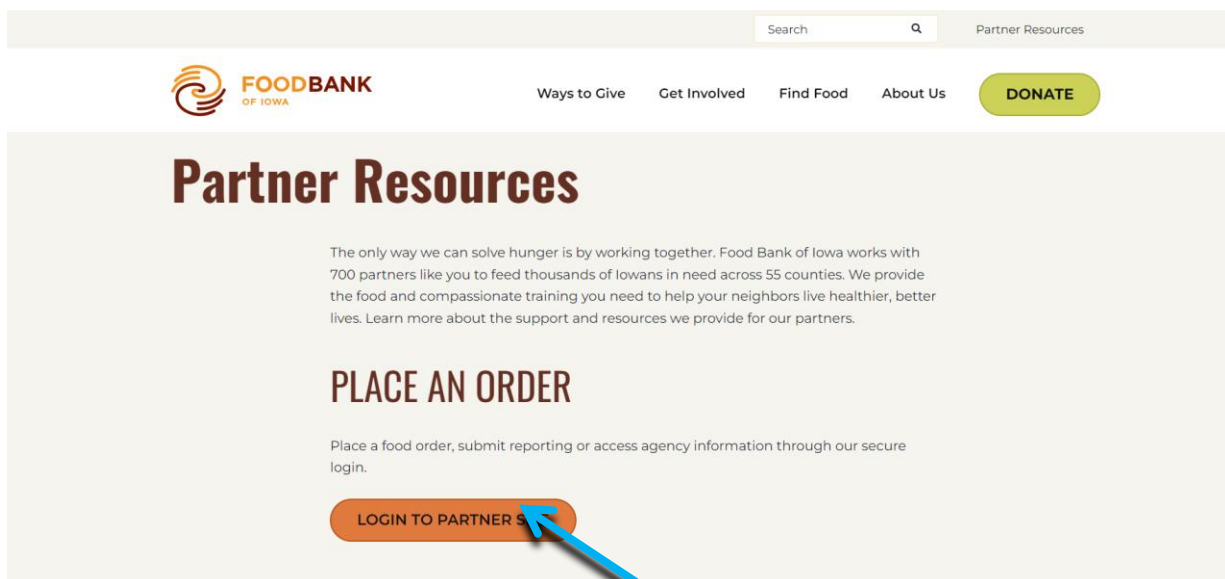

- **Web Address:** www.foodbankiowa.org
 - **Agency Ref:** _____
 - **Username:** _____
 - **Password:** _____
-
- **Regional Partnership Coordinator:** _____

GETTING STARTED – LOGGING IN

Go to www.foodbankiowa.org and locate and click on **Partner Resources** at the top of the home page.

Scroll down to **PLACE AN ORDER** and click on **Login To Partner Site**.

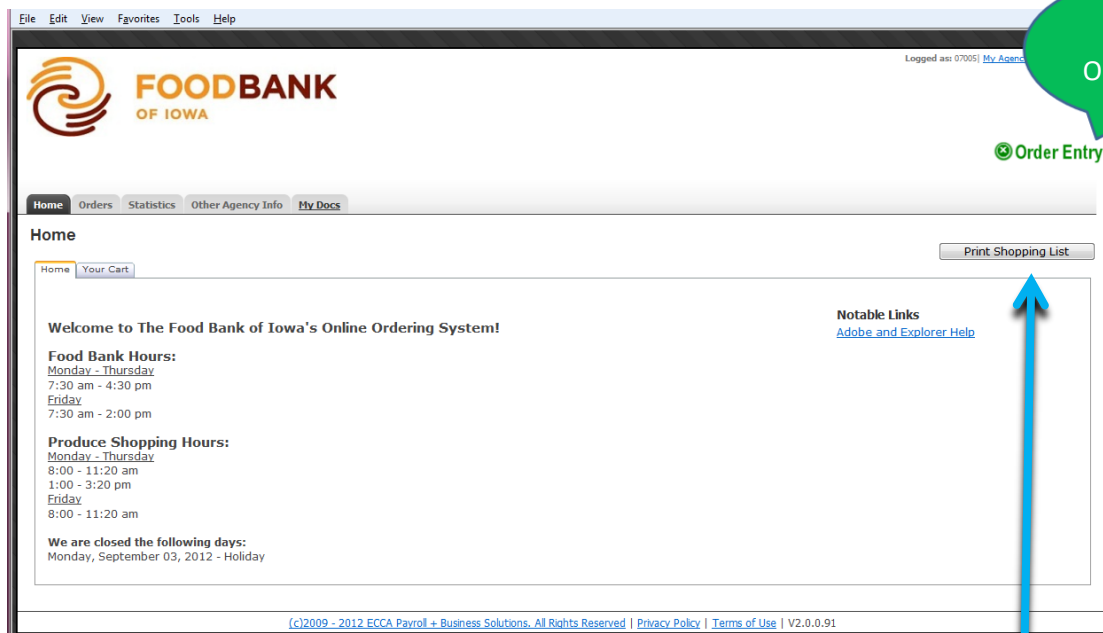

The login screen as it will appear after clicking the link is below. Enter your **Agency Reference**, **Username** and **Password**. The **Agency Reference** must be entered with a zero at the beginning of your four digit agency number. Your **Username** and **Password** will be emailed to you. Should you forget either your **Username** or **Password**, please contact your Regional Partnership Coordinator.

The screenshot shows a web browser window with the Food Bank of Iowa logo at the top. Below the logo is a login form with the following fields: Agency Ref, Username, and Password. A 'Login' button is located to the right of the Password field. Below the login form, it says 'Closed Dates: Monday, September 03, 2012 for Holiday'. The version number 'V2.0.0.91' is displayed at the bottom right of the login form.

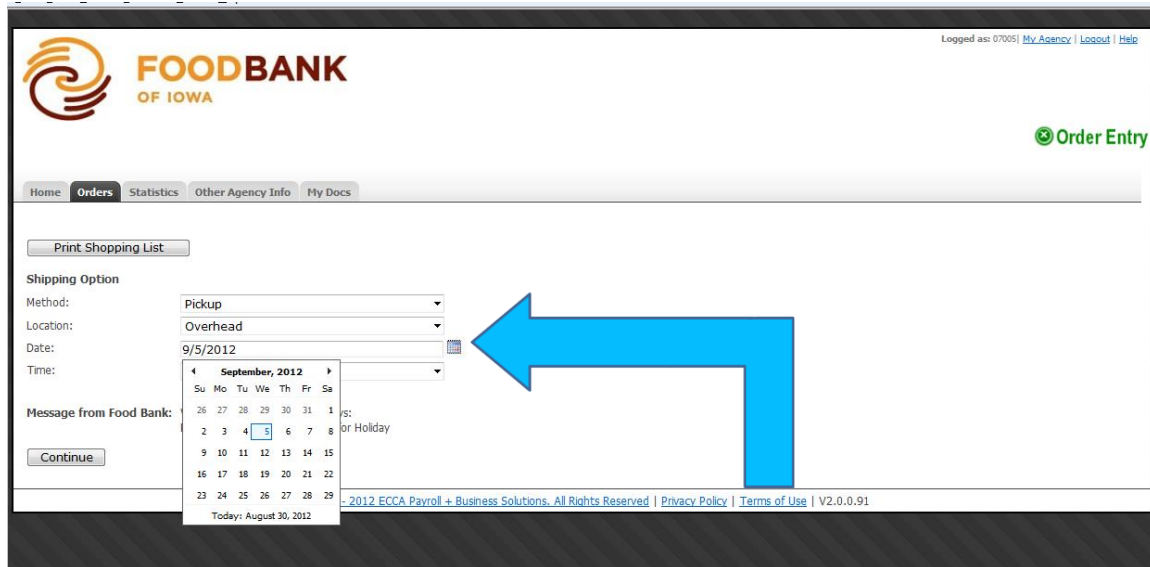

You will now be logged into your agency home page. Please check the home page when you log on for messages from the Food Bank of Iowa. From this screen, place an order by clicking **Order Entry** or view the current inventory by clicking **Print Shopping List**.

The screenshot shows the Food Bank of Iowa home page. At the top, there is a navigation bar with links: Home, Orders, Statistics, Other Agency Info, and My Docs. Below the navigation bar, there is a 'Home' section with a 'Print Shopping List' button. To the right of the 'Print Shopping List' button, there is a 'Notable Links' section with a link to 'Adobe and Explorer Help'. A green speech bubble with the text 'Begin Order here' points to the 'Order Entry' link in the top right corner. A blue arrow points to the 'Print Shopping List' button.

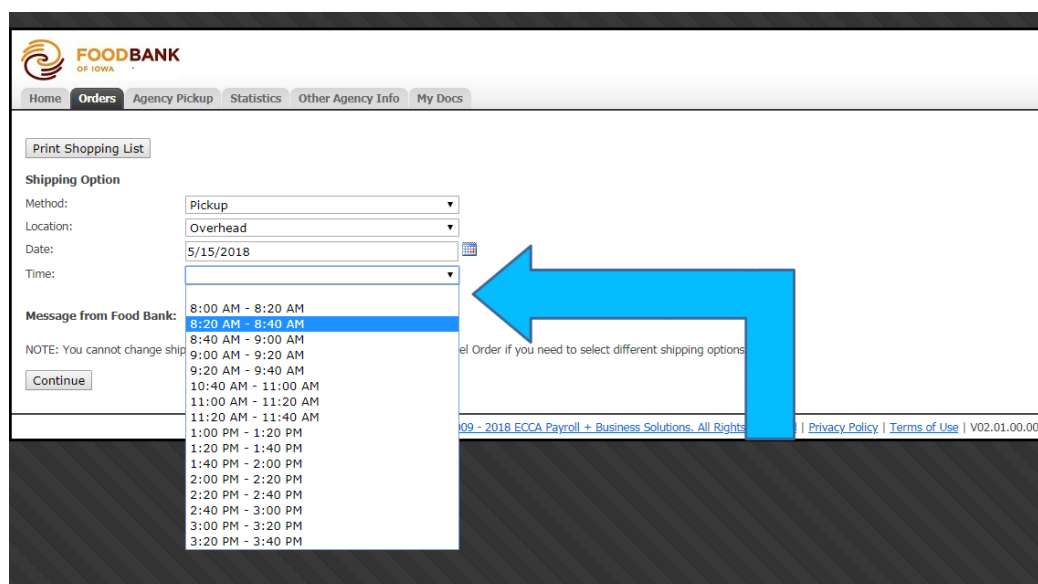

SCHEDULING

The shipping option **Method** and **Location** will automatically populate based on your master agency file. Do not change the default entries unless you are a delivery agency choosing to pick up in Des Moines. The system will default to the first available pickup date. To choose another day, click the calendar icon and select your desired pickup date. The date you select should be the day your order will be delivered on, or the day you want to pick up.

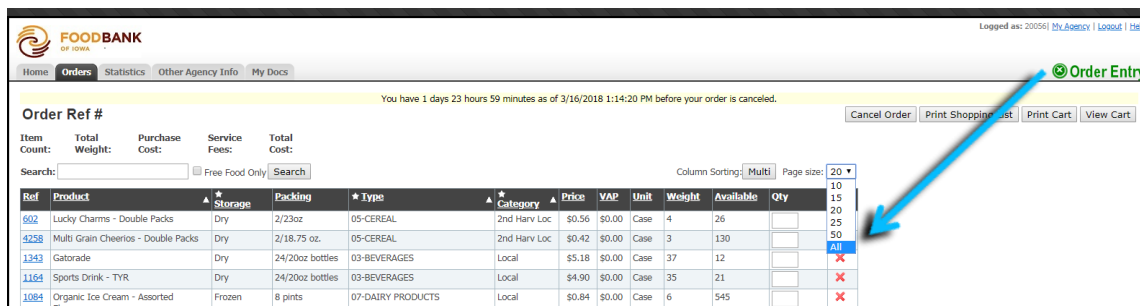

The screenshot shows the 'Order Entry' interface for the Foodbank of Iowa. The 'Shipping Option' section includes fields for 'Method' (Pickup), 'Location' (Overhead), 'Date' (9/5/2012), and 'Time'. A calendar icon is next to the 'Date' field, and a large blue arrow points to it. The 'Message from Food Bank' section contains a 'Continue' button. The footer includes links for '2012 ECCA Payroll + Business Solutions', 'Privacy Policy', 'Terms of Use', and 'V2.0.0.91'.

After the date has been selected you will use the drop down arrow in **Time** to choose your pickup time. In order to continue placing your order, you are required to select a time. ****The time you select for delivery is not the time your order will be delivered**** If a pickup date or time is not shown, that time is not available to schedule.

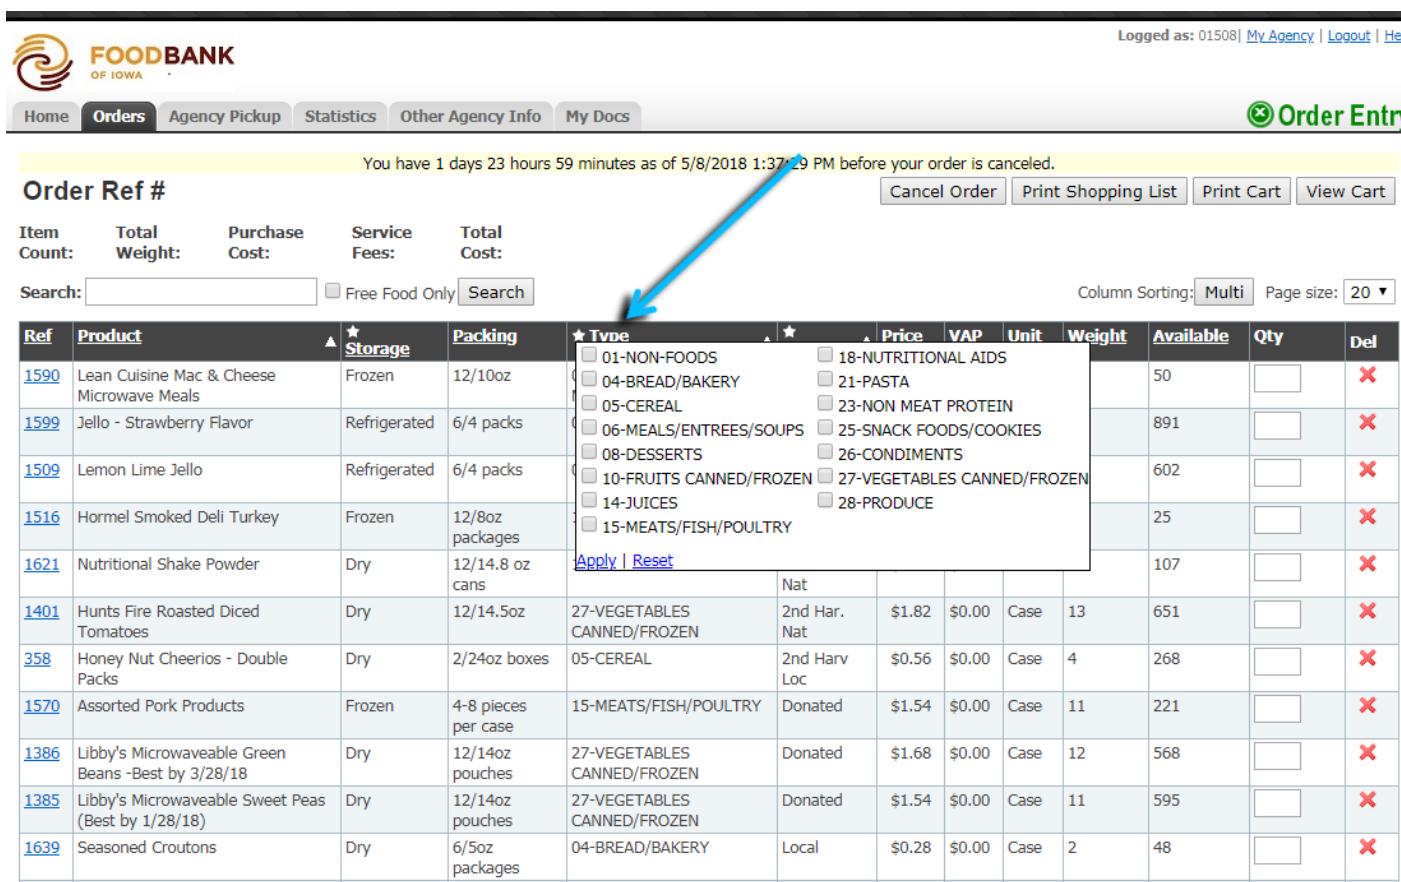

The screenshot shows the 'Order Entry' interface for the Foodbank of Iowa. The 'Shipping Option' section includes fields for 'Method' (Pickup), 'Location' (Overhead), 'Date' (5/15/2018), and 'Time'. The 'Time' dropdown menu is open, showing a list of time slots from 8:00 AM to 3:20 PM. A large blue arrow points to the dropdown menu. The 'Message from Food Bank' section contains a 'Continue' button. The footer includes links for '2009 - 2018 ECCA Payroll + Business Solutions', 'Privacy Policy', 'Terms of Use', and 'V02.01.00.004'.

Once your date and time have been selected and you have clicked **Continue** to move off this page, no changes can be made, unless you cancel and start over. If you need to change or correct your pickup date or time, use the **Comment** box as noted on page 9 of this manual. After you have scheduled your pickup appointment, click **Continue** to begin selecting your products. Please note that you can view all of the inventory items on a single page by changing page size to **All**.

A variety of sort options are available when viewing the shopping list. Any column with a star ★ can be sorted by double clicking the column name or clicking the star to get a list of the categories, in this example, **Type**. Once you have selected how you would like to sort, click **apply**.

Additional product detail information can be found for an inventory item by clicking on the reference number (**REF**).

The **Search** box can be used to find specific products, such as cereal, in inventory by typing “cereal” in the **Search** box. When you are ready to place your order, simply enter the number of desired cases in the **Qty** box. **USDA Allocations:** The amount of USDA product listed as available is specific to your agency and is based on a calendar month. If the available amount is 10, you can get all 10 at one time or get a partial amount with one order and the remainder with another, within the same calendar month. If you place an order for partial amount, the available amount will be reduced accordingly. USDA allocations will reset on the 1st of each month. USDA allocations do not carry over. As you enter items the total weight and total cost automatically adjusts, giving you an instant snapshot of how much your order is.

Onsite meals are meals served and consumed onsite at a soup kitchen, shelter, residential facility, day care, senior meal site, rehabilitation center, camp, etc.

If you are a meal site providing a community meal and do not track who attends the meal, please just report the total number of meals per month.

Food pantries report the number of pantry households and pantry individuals served for the month and the ages of those individuals in the households.

If you operate a residential facility, shelter, or are an agency where meals are consumed onsite and intake is kept for all residents living onsite, please report the total number of meals served and the ages of those residents living at the facility.

Complete all three categories **only** if your agency is multi-service, meaning it has an onsite meal program and a food pantry program, otherwise complete the categories that apply to your agency.

Click **Submit Statistics** when your monthly entry is complete. If any statistics have been entered incorrectly, please call the Food Bank of Iowa to correct or change them.

STATEMENTS AND INVOICES

The **My Docs** tab has 2 sub-tabs. One contains your monthly statements; the other one contains all invoices.

The screenshot shows the Foodbank of Iowa website interface. At the top, there is a navigation bar with the Foodbank of Iowa logo and the text "FOODBANK OF IOWA". To the right of the logo, it says "Logged as: 20056 | [My Agency](#) | [Logout](#) | [Help](#)". Below the navigation bar, there are several tabs: "Home", "Orders", "Statistics", "Other Agency Info", and "My Docs". The "My Docs" tab is currently selected. To the right of the tabs, there is a green button labeled "Order Entry".

Below the navigation bar, there is a section titled "Statements" with a sub-tab "Invoices". The "Statements" sub-tab is active. Below the sub-tab, there is a table with two columns: "File" and "Date Added". The table contains three rows of data:

File	Date Added
Statement for 3-31-2018.PDF	03/30/2018
Statement for 2-28-2018.PDF	03/01/2018
Statement for 1-31-2018.PDF	02/01/2018

Below the table, there is a pagination control that says "< Prev 1 Next > | Page 1 of 1".

At the bottom of the page, there is a footer that says "(c)2009 - 2018 ECCA Payroll + Business Solutions. All Rights Reserved | [Privacy Policy](#) | [Terms of Use](#) | V02.01.00.0046".

Double clicking any invoice or statement listed will bring up a copy of that invoice. We do not mail invoices or statements. This option allows agencies to quickly access and print invoices and statements at any time.

When paying your balance, we recommend paying from the statements, as they will show any credits that are on your account, as well as any overdue balances.

Orders are required to be paid within 60 days of the pickup date.

Checks should have the agency reference number and the invoice numbers that you are paying for included.
